Our solutions for your manholes

Loose manhole cover: Flüsterkappe

Corrosion of shaft neck: Coating of shaft neck with **FlexyPox**

Sunken shaft rings: Manhole frame regulation with **FlexyPox**

Dynamic range

Leaky joints: **FlexyPox**

Cracks, holes, flaws: **FlexyPox**

Water infiltration: Fast sealing of larger cavities: **resiFill**
Fast sealing of smaller cavities: **resiTwin**

Static range

Leaky joints: **Harz¹²**

Cracks, holes, flaws: **Harz¹²**

Close-up images show the application of **FlexyPox** to the shaft neck and frame, **resiFill** and **resiTwin** for water infiltration, and **Harz¹²** for leaky joints and cracks.
